

Thank you so much for choosing Cooper River Room for your event - we are excited to celebrate with you! The health and safety of our guests during your celebration is our top priority. As such, we are presently following the procedures and guidelines from the CDC, Accelerate SC, South Carolina Restaurant and Lodging Association as well as the Town of Mount Pleasant and State of South Carolina as it relates to events. I have outlined them for you below.

- We are able to accommodate events of up to 300 using both our indoor and outdoor space. Cooper River Room offers extensive covered and non covered outdoor space in addition to the room itself. Although we normally do not allow our furniture to be used on any outdoor area that is not paved we have lifted that rule in order to allow more flexibility for seating. I'm happy to discuss tenting options to allow for more covered space outside.
- All unvaccinated persons in attendance are encouraged to wear a face covering as a condition of entry or participation. Please have masks readily available for those who need them.
- Hand sanitizing stations are available throughout the building for your use. In addition, our onsite venue managers will be sanitizing touch points throughout the building every thirty minutes during your event.

As always, I am happy to discuss any questions or concerns you may have about your upcoming event. Thanks so much for making us a part of your day. We can't wait to help you celebrate - Lowcountry style!

Current guidelines as of 6.1.2021
