

# Lowcountry Park Venues

CHARLESTON VISITOR CENTER • 375 Meeting Street, Charleston, SC 29403

The Charleston Visitor Center hosts some of the best and **most unique facilities in the number one city in the world.**

Constructed in stages from 1840 to 1856, it is one of five railroad buildings known collectively as the William Aiken House and Associated Railroad Structures, and is **listed as a National Historic Landmark District.**

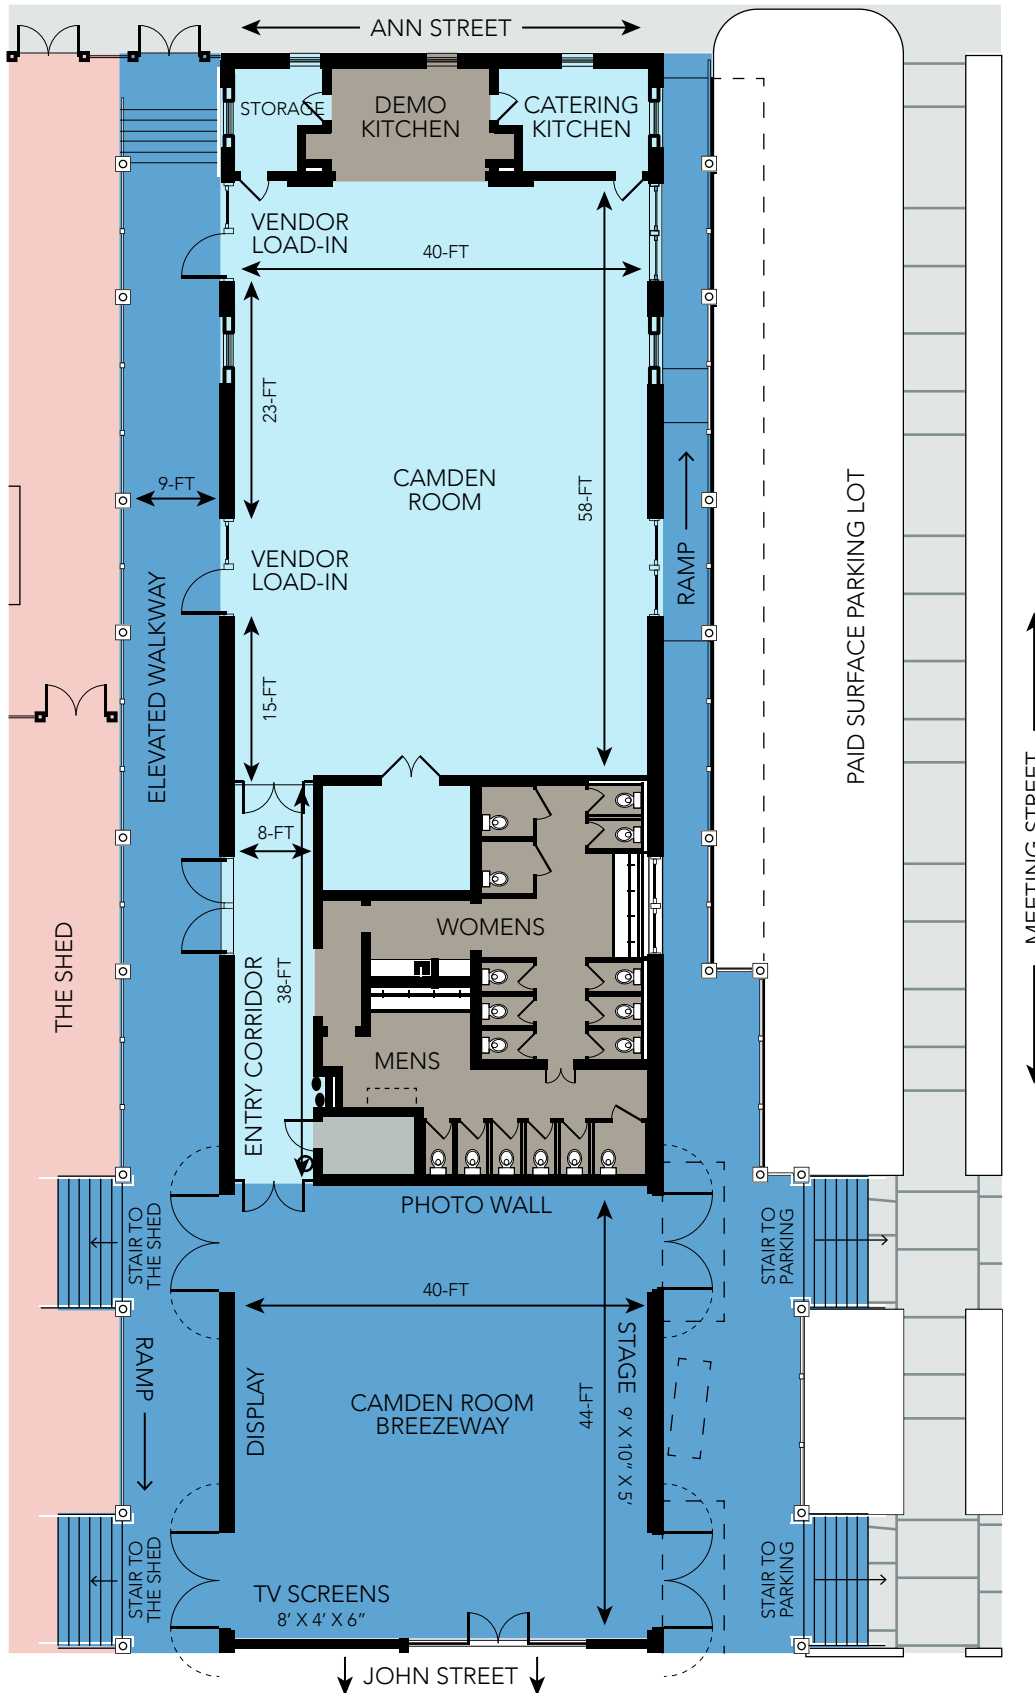

After extensive renovations, which utilized much of the original building materials, the Visitor Center opened to the public in May of 1991. Newly renovated in 2020, the Charleston Visitor Center is **located between Ann and John Streets**, in the old Deans Warehouse.
